THANK YOU!

Thank you for your generosity and commitment to attend The Chopra Foundation's Sages and Scientists Symposium from August 22-24, 2014 at Omni La Costa Resort and Spa.

We are very honored that you are joining us.

As we all come together for this symposium, we have the potential to scientifically and experimentally explore non-dual consciousness as the ground of existence. To apply this understanding in the enhancement of health, business, leadership, and conflict resolution.

This General Information packet contains helpful facts to organize your visit.

We recommend that you book your hotel and your travel arrangements as soon as possible as San Diego is a desired traveler's destination.

IMPORTANT!
